SNAP Enrollment Assistance Available

What is SNAP?
The Supplemental Nutrition Assistance Program (SNAP) is a program that helps pay for healthy food at the grocery store. SNAP is also referred to as Food Stamps.

Do you qualify?
Income Guidelines for older adults and people with disabilities:
1 person - $1,962 per month
2 people - $2,655 per month

How does it work?
The monthly benefit amount varies based on income, housing and medical expenses. This amount is credited monthly onto a debit card that can be used to purchase groceries.

Benefits Access Program Application Assistance
Formerly known as Circuit Breaker, this program provides a license plate discount as well as a Senior Ride Free Pass for Pace and Metra to those who qualify.
The Secretary of State’s office is suspending the mailing of vehicle registration renewal reminder notices due to the state budget impasse. In an effort to save money, they are encouraging vehicle owners to instead be “mindful of their vehicle registration status” so as to not incur a fine or ticket.
You can register to receive an electronic license plate renewal by e-mail at www.ilsos.gov/greenmail/ and enter your registration ID & PIN #.
The annual income eligibility guidelines for Benefits Access are:
1 person household - $27,610
2 person household - $36,635
Assets are not counted for this program.
Call Social Services to set up an appointment to apply for this helpful benefit at 847.991.1112.

Medicare Part D Open Enrollment is coming!
The annual Medicare Open Enrollment Period is October 15 – December 7, 2016.
This is an important time of year to look at your Medicare Prescription Drug Plan. You can change your plan during Open Enrollment and should compare plans each year since they often change their costs and formulary coverage. Our Social Services staff can assist you through this process by entering your medications into the Medicare.gov Plan Finder system. It will tell us which plan will be most cost-effective based on your specific medications. We have been able to help people save hundreds of dollars by switching plans!
Look for more details in the next Happenings!

Got the Dot?
The Yellow Dot Program provides a free yellow dot decal to place in your vehicle’s lower left rear window. This notifies first responders in case of an emergency that you have a brochure in your glove compartment with important information. This includes your emergency contact, medications, physician information, medical conditions, allergies and other helpful information. This program is provided by the Illinois Department of Transportation, and Yellow Dots are available at the Palatine Township Senior Center.
